

# Resi ROCKS Market Stall 2020

*“Power of Possibility, Learning for the Future”*

## Application Information

The Residential Care Learning and Development Strategy (RCLDS) team is offering a Market Stall area for relevant organisations to share ideas and resources with Resi workers. We encourage organisations who can support workers to make a difference in creating a positive future for young people to apply.

Last year almost 400 Residential Care workers attended Resi ROCKS! It's a great opportunity to showcase your organisation's work to the sector.
